

Have you considered an alternative to dental insurance? Eldora Family Dentistry offers an annual membership program packed with benefits to meet your dental needs!

Members pay an annual fee of \$300 per adult OR \$250 per child and \$25 taken off for each additional in your family. Ex: Child 1- \$250, child 2- \$225, child 3- \$200, etc. Adolescent fees are up to age 18. Children 3 and under- no membership fee with membership of a family member.

**Procedures included annually:**

- 2 professional cleanings
- 2 clinical doctor exams
- 2 professional fluoride treatments
- 1 set of digit x-rays: for detection and diagnosis of tooth decay.

**Additional benefits:**

- Members save 20% on all additional procedures including cosmetic treatments
- No monthly premiums, deductibles or annual maximums
- No denials on treatment
- No contracts to sign

**Traditional insurance:**

Dental insurance plans often come with a plethora of challenges including waiting periods, difficulty getting authorization for common and necessary treatments, alternate or “hidden” benefit limitations, costly monthly premiums and no coverage on cosmetic or elective treatments.

**VS.**

**Our membership plan:**

You will pay one low annual fee. There will be no waiting periods or denials and treatment planning will remain patient focused rather than benefit focused. There are no deductibles for members to meet and benefits never run out because an annual maximum has been met. Members receive 20% off on non-preventative treatment with no “hidden” benefit limitations or denials.

All savings plan membership fees are due and payable at time of registration. Fees are non-refundable and remain for one year. After 12 months, benefits are null and void. Renewal fees must be paid within 30 days of the renewal date to avoid a \$25 reinstatement fee. Membership excludes member from CareCredit Eligibility at Eldora Family Dentistry. Plan benefits are not valid in conjunction with dental insurance or any other plans. Discount is not applicable to orthodontic treatment or treatment at performed in any other office.
